

# THE HELLADELICS ΧΕΛΛΑΔΕΛΙΞ

**The Bay Area's newest, soothingest, groovingest Greek roots band.**

*Four familiar bay Area musicians make up The Helladelics: soulful Mary Farris on clarinet; laouto-strummer extraordinaire Tom Farris; Gary Hegedus on rippling violin and oud; and Michele Simon with her velvet voice and percolating percussion.*

*So few people, so much sound!*
